Foreword

Gratitude

Potager's wine collection pays homage and gratitude to the grape farmers (vignerons) and wine artisans. We are bringing the hardships and joys from the vineyards to the dining tables.

Labor of love

Drawing from our collective experience of harmonizing wines and cuisine, you can expect a thoughtful journey of flavors that are layered with character, volume and depth. Feel at home and relish in the warmth and joy with us.

Progressive

The world of wines is ever changing. Climate change and economy factors shape the way we think about wines. Sustainable farming is essential and crucial for our next generations to savor the treasures we have today.
